

Kaitlyn (Goodson)Kipps, BA

RECOVERY COORDINATOR,
TRANSITION HOUSE, INC.
SINCE SEPTEMBER 2014

Recovery is an abundance of hard work and dedication, but “no matter how many mistakes you make or how slow you progress, you are still way ahead of everyone who isn’t trying” – Tony Robbins. I am excited to work in a setting where I get to motivate and support our clients throughout their recovery process. After starting at Transition House, Inc., I am aware more now than ever on the importance of recovery and holistic wellness, especially upon learning of the struggles our clients have to face. I feel privileged to have this opportunity to work with our clients as their recovery coordinator and assist them throughout this journey.
