

## Transition House FY'18 Goals:

### ● PROFESSIONALISM AND SERENITY OF TH

- Improve physical environments
- Focus on developing professionalism while maintaining a welcoming environment
- Strive to reduce manageable stressors to improve agency serenity
- Continue development of activities that improve TH's collective well-being

### ● TH CLINICAL PRACTICES

- Continue consultation and Treatment Team work within TH and with COCMHC and other providers
- Continue involvement and collaboration with community partners including Cleveland County Mental Health Task Force and CCM
- Continue development of group curriculum
- Develop/update Standards for the TH Culture statement & Commitments to Recovery
- Further develop techniques that empower focus on Communication, Collaboration, Connection, Coordination, and Celebration

### ● TH POLICIES & PROCEDURES

- Review existing TH Policies and Procedures - Administrative & Clinical
- Update as needed

### ● TH TEAM

- Develop additional strategies to reduce Staff turnover
- Develop and implement plan to improve Staff compensation
- Continue to improve Staff self-care and mutual recognition of achievements

### ● ENSURE BASIC CLIENT NEEDS ARE MET

- Continue to secure funding for Client Essentials
- Work with other community organizations to help expand referral options for clients
